Dear guests of the Kolpa campsite, welcome! We wish you a nice holiday!! Please read the house rules and adhere to them. Your stay at the campsite will be more pleasant for you and for us.

- ☆ **REGISTRATION:** Upon arrival at the camp, each guest is required to register at the reception and upon departure, pay the temporary stay and tourist tax. The last day of departure from the camp is by 6 pm. With the payment of the tax, we can agree on a one-time payment at the end of the month.
- ☆ We leave the **CHOICE of SPACE** for tents and campers to you. For year-round rental of space for trailers, we will arrange it together. Please be considerate of guests who are already camping. We ask that you leave the space you used in its original condition.
- ☆ **CLEANLINESS:** *Throw away your waste in the container behind the toilets. There are also containers for waste separation in front of the campsite. Please squeeze plastic bottles so that they take up as little space as possible. If the container for bottles is full, throw the bottles in the main container. The container is for household waste and not for bulky waste! The removal of the container costs approx. 160 eur.??? Take bulky waste away from the campsite yourself.*
